 - SECJSA awards: request one female, male, and volunteer recipient from each club. Recipients to be finalized by the end of November so awards can be made in time for the banquet. Banquet location still TBD (indoor restrictions) and likely take place in January. Discussed possibility of two dates for district and league awards due to numbers and indoor restrictions
 - DOC report will be sent via email
- **League Report**
 - Standing: congrats to Stonington U14 Girls CT Cup Champs.
 - Final SECJSA 2021 Fall Standings document was distributed
 - Missing Games: email was sent to try and capture results from missing games
 - General discussion about competition: would like to find more competitive balance among Gold, Silver, and Bronze and fortify some groupings (e.g. U12 and U15 Boys Gold). Discussed possibility of moving from single-age to dual-age within SECJSA in order to bolster roster sizes, keep school grades together, and create competitive balance. Idea to keep Gold and Silver competitive and market Bronze as rec level (and 9v9). Also discussed the option of creating a “Big Town” and “Small Town” division within each Gold and Silver grouping
 - Spring season: Many of the topics mentioned above will be discussed in advance of the spring season. Meeting will take place on February 9th to discuss spring structure. A second meeting will take place (April) to enter teams/rosters for spring season.
 - Stack Meeting: Stack to offer a meeting with coaches to provide training on the system. Aim for end-March or early April. Suggestion of creating a tutorial for coaches to follow on their own, although Joe noted this is available on the Stack website.

- **Referee Report**

- Need more referees! Discussion revolved around unruly parents which has caused young referees to stay away. Possibility of creating field signs to set the tone for parents and coaches
