This will be read to the spectators before every match by the home coach and/or team captain.

The visiting coach will stand with the home coach when this is read.

The CJSA Southeast District League expects all participants to be on their best behavior, this includes players, coaches, referees and spectators.

All spectators are there to watch not coach. Let the players play, let the coaches coach.

This is not the World Cup.

Need to respect the referee their decision will stand.

Cheering for your team is always encouraged yelling is not!

A forfeit will be given to the offending team in the event of a violation of these guidelines.

If a coach is in violation of these guidelines they are suspended for the next match.
