Notes:

A copy of your roster must be given to the referee and opposing coach

If there is no coach listed please contact that club president, they are all listed on the club page of our web site.

Any team that doesn't have a home field must work out the field arrangements with the visiting team. The visiting team will schedule the field and referees, but the home team will pay the referees at the visiting teams rates or provide their own referees. This must be agreed upon before the game is scheduled.

Memorial Day Weekend is a bye week for all teams.

For problems or concerns please contact the Division Charimans listed below

Revisions:

4/24/2025 U12 Silver Red coaches phone number change.

The home coach and/or a member of the home team will read this to the spectators just before the start of play before every match. The visiting team will stand with the home team when this is read. It should be read from the center line so that both the home and visiting spectators can hear the message.

There is a Zero Tolerance Policy toward the referees. Need to respect the referee their decision will stand.

The CJSA Southeast District League expects all participants to be on their best behavior, this includes players, coaches, referees, and spectators.

All spectators are there to watch not coach. Let the players play, let the coaches coach.

This is not the World Cup.

Cheering for your team is always encouraged yelling is not!
